6. Content of Message in the Ad:

Scene 1: The Setup (Park Introduction)

[Bright sunny day in a park. *Haseeb* sits on a bench, reading a crumpled newspaper. He's wearing a classic trench coat and fedora, looking comically out of place among the joggers and dog walkers. His two bumbling assistants, *Sami* and *Umer*, are nearby doing ridiculous things—*Sami* is attempting to chase squirrels, while *Umer* is eating an ice cream cone with a magnifying glass, pretending to "investigate."]

Detective Haseeb (voice-over): *"Some days, a detective needs a break. No mysteries, no clues, no chases—just peace and quiet in the park. Or so I thought."*

[Hadeed jogs by, his hair impossibly shiny, bouncing in slow motion. The sunlight reflects off it dramatically, creating lens flares. Haseeb lowers his newspaper, his detective instincts immediately kicking in. He squints at Hadeed, narrowing his eyes.]

Detective Haseeb (voice-over): *"And then, I saw it. That hair. Perfect. Too perfect. Hair like that doesn't just jog—it glides. Something wasn't right."*

[Sami notices too, pointing dramatically.]

Sami (shouting): *"Boss! Look at that guy's hair! It's illegal, I'm sure of it!"*

Umer (staring): *"It's got to be... science fiction. Or witchcraft."*

[Hadeed pauses at a park fountain to tie his shoe. Haseeb motions for Sami and Umer to follow him. The three try to "blend in" but are hilariously

obvious—Haseeb crouches behind a lamppost, Sami hides behind a small trash can (but he's way too big), and Umer holds up a leafy branch, pretending to be a bush.]

[Hadeed looks over his shoulder, notices them, and sighs. He walks toward them cautiously.]

Hadeed: *"Um... can I help you?"*

[Haseeb quickly stands, trying to play it cool.]

Detective Haseeb: *"Help? Oh no, we're just... admiring the fountain."*

[Cut to Sami and Umer, who panic and pretend to be doing something normal. Sami sips from an empty water bottle, while Umer dramatically whistles and waves his branch.]

Hadeed (suspicious): *"Right. Well... I'm leaving now."*

[Hadeed jogs away again, but Haseeb tosses his newspaper aside and stands dramatically.]

Detective Haseeb: *"Let's move. There's a mystery to solve."*

Scene 2: The Investigation

[Montage of the trio tailing Hadeed across the city. Haseeb is calm and methodical, but Sami and Umer keep messing things up.]

Scene 2a:

[Haseeb hides behind a tree, scribbling notes in a detective's notebook. Sami tries to crouch behind a park bench but gets stuck halfway, while Umer accidentally hides in the middle of a children's soccer game, kicking the ball and falling over.]

Sami (yelling): *"Boss, I think Umer just joined a league!"*

Umer (from the field): *"Wait, are they paying me?!"*

Scene 2b (Replacing Barber Scene): Hadeed Enters a Café

[Hadeed walks into a cozy café, looking calm and collected. Haseeb is sitting at a corner table with a coffee cup, reading a book upside down and peeking over the top. Sami and Umer, dressed in ridiculous disguises (e.g., sunglasses, pretend to be waiters.)

[As Hadeed sits down, Sami clumsily approaches with a notepad.]

Sami: *"Hello, sir. What would you like? Also... what shampoo do you use?"*
[Hadeed raises an eyebrow. Umer sneaks up behind him and very obviously sniffs his hair, nodding in approval.]

Umer (whispering loudly to Sami): *"Smells expensive."*

[Hadeed turns around suspiciously, and Umer freezes mid-sniff. He picks up a tray of pastries to "cover" his tracks and starts offering them to random customers.]

[Meanwhile, Haseeb facepalms at their antics.]

Scene 2c:

[The trio sneaks into Hadeed's apartment at night. Haseeb expertly picks the lock, but Sami and Umer show up behind him with a giant battering ram.]

Sami: *"It's for emergencies!"*

[They crash through the door, landing in a pile of shoes. Haseeb glares at them.]

Detective Haseeb (voice-over): *"The deeper we dug, the stranger it got. But then... we found it."*

[In the bathroom, Haseeb opens the cabinet. There, gleaming under a light, is a bottle of **[Your Shampoo]**. Dramatic music swells. Haseeb carefully picks it up, staring at it in awe.]

Sami (peering over his shoulder): *"What is that? A magic potion?"*

Umer (grabbing the bottle): *"This looks expensive. How much do you think it costs?"*

[Haseeb snatches it back, shaking his head.]

Detective Haseeb: *"This... this is the secret."*

Scene 3: The Twist

[Back at Haseeb's office, he sits at his desk, staring at the shampoo bottle. Sami and Umer are busy trying "home remedies" on their hair, including mayonnaise, eggs, and toothpaste. Their hair is a disaster.]

Umer (grumbling): *"Boss, nothing's working. This guy's hair must be supernatural."*

Sami (scratching his head): *"Or he's hiding some kind of secret hair wizard."*

[Haseeb stands abruptly, holding the shampoo bottle.]

Detective Haseeb: *"There's only one way to know for sure."*

[Cut to Haseeb in his dingy bathroom, pouring the shampoo into his hand. Dramatic, slow-motion music plays as he lathers it into his scruffy hair. Bubbles glisten. His hair transforms into a flawless, shiny mane.]

[Meanwhile, Sami and Umer peek through the bathroom door.]

Sami: *"Is it working?"*

Umer: *"I don't know, but he's smiling way too much for a guy washing his hair."*

[Haseeb steps out of the bathroom. His hair is immaculate. Sami and Umer gasp in unison.]

Sami (whispering): *"He looks... incredible."*

Umer (whispering back): *"Like a shampoo ad come to life."*

Scene 4: The Confrontation

[The next day, Haseeb meets Hadeed in a park. Both now have equally stunning, bouncy hair. They stare each other down as the wind blows dramatically.]

Hadeed: *"You cracked my secret."*

Detective Haseeb (smirking): *"I didn't just crack it... I joined it."*

[Suddenly, Sami and Umer run into the scene. Both now have overly styled, ridiculously voluminous hair.]

Sami (excitedly flipping his hair): *"Boss, I finally get it! I feel... unstoppable!"*

[Umer's hair gets caught in a tree branch. He struggles to free himself.]

Umer (yelling): *"Help! My hair's too bouncy!"*

[Hadeed and Haseeb exchange amused looks.]

Detective Haseeb: *"Case closed."*

Scene 5: The Finale

[All four men walk down the street in slow motion, their hair bouncing perfectly in sync. Passersby stop to stare, jaws dropping in awe. Sami tries to flip his hair again but accidentally hits Umer in the face.]

Detective Haseeb (voice-over): *"It wasn't just a shampoo. It was a revolution. [Your Shampoo]—the secret weapon for perfect hair."*

Tagline: *"Hair so good, it's worth solving a mystery for."*

7. Type of Appeal in the Marketing Communication:
